About us

Jones Architecture is a design-oriented firm based in Portland, OR. We are currently working on mixed-use urban infill, single family residential projects, single-family development, historic rehabilitations, mass timber projects, office buildings, and restaurants.

Jones Architecture's mission is making architecture worthy of its people and place. Honest, straightforward, well-crafted projects inspire us. We find beauty in simplicity and have an affinity for buildings that are at one with their site and context. The open design studio provides the framework to collaborate amongst our design team.

This position offers a competitive compensation package and the opportunity to work with talented professionals in a creative environment. Jones Architecture is an equal opportunity employer.
